Inland Empire Barrel Racing Association or IEBRA is a local organization that serves 25 counties in Eastern Washington and Northern Idaho. IEBRA allows the opportunity for barrel racers to train and bring up young horses through the novice system and push the horses to become rodeo ready. Each season the club hosts weekend races from April through September at numerous arenas.

As we are nearing mid-season we are looking for end of the year award sponsors to support each of the novice classes as well as our open division. IEBRA would like to invite you to sponsor our human and equine athletes.

Your sponsorship would be valuable to our club! As a thank you for your sponsorship your name will be announced at each of our remaining races this season as well as posted on our facebook and website. If you would like to be a year end award sponsor, please select your sponsorship level and return with payment by August 4, 2023.

Yes I would like to be a 2023 award sponsor:
